Deaths.

CUYLER-We chronicle with sorrow the death of Mrs. Augusta E. Cuyler, who passed away April 20th in Fayetteville. The deceased had been confined to her room only a short time. She was a most excellent and popular Christian lady and had numerous friends, both in Fayetteville and Wilmington, who were grieved to learn of her untimely death. She leaves a loving husband, now pastor of St. Luke's A. M. E. Zion Church, and three lovely little children, the youngest of whom soon followed its mother in death. Rev. Cuyler and children have the sincere sympathy of many friends. By her death not only the church has lost a faithful member, but a loving family, husband, children, and relatives are left to mourn their loss. Sad, indeed, though from what we learned of her, she seemed fully ripe for an entrance into the richness of her reward. The loving wife, the tender, watchful mother, has left an aching void in the hearts of the objects shall be reunited to her, can fill,

Latta Unsversity will be closed during the Christmas holidays for all the session for the purpose of rebuilding the buildings that were consumed by fire last May, and also additional buildings. The University is located in the village of Ober-lin, N. C., one and one-half miles west of the capitol building in the city. The location is the very best for a school, being out of the busy city, but within easy reach by means of the electric street cars. It is enough to say, that there has not been a single case of serious illness since the establishment of the school. Each dormitory is heated by stoves and hearths, so every necessary comfort is secured. The terms are very reasonable—\$7 50 per month. Those desiring to reduce their expenses by work will be taken at the lowest possible rates: young men \$6.40 per month; young women \$5.40 per month; day students \$1 per month. A small incidental fee will be charged. The school will reopen on the 7th day of October, 1897. Our purpose is to make it one of the largest schools in the South for the race. Law and Medicine will be added. The institution is wholly non-
